CLUB HISTORY

The formation of Kennington Football Club dates back to before 1890. The Kent County Football Association records show our existence in 1888, however The Football Association put our birth in 1885. What is not in dispute was that Kennington Football Club was the oldest junior club in Kent. Both the associations marked the fact and presented the club with illuminated addresses to mark the achievement in 1988

Throughout most of the last century the club competed in the local Ashford and District League where the opposition was mainly drawn from village sides, together with a large number of military teams along with sides representing strong railway connections. The advent of the company sponsored teams began to emerge around the seventies. The Club has fixture cards and photographs dating back to the 1900's.

The Club took the decision to step up the pyramid into the prestigious Kent County League in the 1980's. This was an attempt to mix with stronger opposition, better playing conditions, and in turn, a higher standard of officialdom both on and off the pitch.

The Club currently fields one senior team on a Saturday. Kennington Football Club has a long established and well respected Junior Section from where many of today's squad began their playing careers.

Our step up into the Southern Counties East Football League is the result of our success in winning the Kent County Premier League. The Club entered an exciting new phase of its history for the 2018/19 campaign, ground sharing at Ashford United's Homelands Stadium, with Dan Scorer's side finishing a highly creditable third in their inaugural season at Step 6.

Kennington entered the FA Vase for the first time in 2019/20, making it through to the second round. Promotion beckoned once again as the side were top with six games remaining, prior to the season being abandoned due to the covid-19 outbreak.

Another first was secured ahead of 2020/21, with entry into the FA Cup.

Good afternoon and welcome to Homelands Park for today's season opener

I hope the players, management and supporters of Holmesdale can enjoy today's fixture and I wish them safe travels on their return home.

Kennington supporters (*300 total) that came out in full force on Tuesday night, for our FA Cup fixture with Erith & Belvedere.

Your support and encouragement gave the players a massive lift as we went in search of a late goal on so many occasions.

Unfortunately it wasn't to be on the night, but we're very grateful for the experience throughout the season.

Despite losing the game on Tuesday night, the performance was very pleasing and we can move on quickly from it, knowing that it has no affect on how our season will end.

The tie followed an unbeaten pre-season schedule, and sets us up perfectly for today's

against Holmesdale.

SCORER

I'd like to start my thanking the incredible 280

and hope we continue to have that support

eagerly anticipated match up between two sides that should certainly be playing at Step 5 this season, if it were not for the recent pandemic.

Today's game is probably as big as it gets in the SCEFL First Division, and I know there will be plenty of eyes on the final result.

It's a result that won't define our season, but it's one that will kick start what is sure be a great the season for both sides.

Like all teams in the division. Holmesdale have strengthened very well and look to have added some strong attacking and creative players.

I'm sure Lee and his management will be working hard to replicate the season they had last year, boasting a fantastic defensive record.

After two years of playing away on the opening day, it's great to be able to kick-off our league campaign at home. I hope you all enjoy the game and thank you once again for your support.

CLUB HISTORY

Holmesdale Football Club is a football club originally based in South Norwood, London. Affiliated to the Kent County F.A they are currently members of the Southern Counties East Football League Division One and play at Oakley Road in Bromley.

The original club was established as Holmesdale Baptists in the early 1920s and was affiliated with the Baptist Church on Holmesdale Road; players were church members and had to attend bible classes. They joined the Excelsior League, where they played for two seasons before joining Division Three of the Thornton Heath & District League for the 1922–23 season.

Although they were Division Three runners-up in their first season, the club folded in 1923. The club was reformed in 1956 by the 3rd East Surrey Boys Brigade Company and rejoined the Thornton Heath & District League in Division Six. They went on to win the division at the first attempt, earning promotion to Division Five. Another promotion in 1957–58 saw the club move up to Division Four, although they had to recruit players from another church club, which led to them dropping the word "Baptists" from the name. By 1960 the club had been promoted to Division Three.

In 1960–61 Holmesdale were Division Three runners-up, earning promotion to Division Two. They following season the club were Division Two champions and were promoted to Division One. The 1971–72 season saw the club win the Division title. In 1986–87 they were Premier Division champions, and were promoted to the Surrey Intermediate League. They were runners-up in Premier Division B in 1989–90, before winning the Surrey South Fastern Combination in 1992–93. The club

were subsequently promoted to the Surrey Premier League. They won the league's Charity Cup in 1993–94. In 2000 the club relocated to Bromley and switched to the Kent County League, joining Division One West.

In 2005–06 Holmesdale were Division One West champions, earning promotion to the Premier Division. The following season saw them win the Premier Division title, resulting in promotion to the Kent League. The League was renamed the Southern Counties East League in 2013, and in 2015-16 the club finished bottom of the league, resulting in relegation to the newly-formed First Division.

2016-17 saw Holmesdale finish in 6th place in the First Division and a Season later they ended in seventh place under the management of Tony Beckingham and Lee Roots. 2018/19 saw a few changes of management and a creditable 6th placed finish before Lee Roots returned for the 2019/20 campaign.

Unfortunately for the Club the Coronovirus Pandemic denied them certain promotion with the season being made null and void while The Dale sat comfortably in a promotion winning place.

Now we will be aiming to do it all over again when the 2020/21 season gets under way.

The club played at Oaks Road in Shirley during their time in the Surrey Premier League, but were unable to install floodlights as the ground was owned by Croydon Council. As a result, they moved to Oakley Road in Bromley to gain promotion to the senior leagues, although three teams continued playing at Oaks Road, later breaking away to form Real Holmesdale Football Club in 2001.

THE 100 CLUB

RAISING MONEY FOR THE TON!

WHAT IS THE 100 CLUB?

The 100 club is a prize draw run along the lines of the National Lottery. The prizes are more modest, but the chances of winning are far greater!

The shares are entered into a monthly draw where 50% of the income each month is returned in prizes and the remaining 50% is used to provide additional resources for the club.

HOW DOES IT WORK?

A modest subscription of £5 entitles a member's share number to be entered in the regular monthly draw. The prize is 50% of the total income. Draws are held in the clubhouse at the beginning of each month (for the preceding month's income).

HOW MUCH DOES IT COST?

£5 per month per share. You may buy as many shares as you wish. Payment can be made on a regular basis by standing order (preferred method), or alternatively by cash or cheque annually in advance. You may cancel standing orders at anytime.

Look out for monthly winners names printed above in every programme, and announced on the website and across our social media.
