## K Sports FC - History

Founded in 1919 and established as a senior club in 1946, the club has a very proud history.

The present club reformed in 1974 as Reeds International won the Western Premier in 1987/88 and again in 1990/91 after reverting to APM. In 2009 the Contrast name was added following a large sponsorship deal.

The Club plays its football at K Sports Cobdown, where we have a long standing history. The football club has always had a senior section but in the 2013/14 season APM grew with a youth section and two teams in the Kent Youth League. The next season saw the club grow further, merging with Holtwood Rangers, and a full youth section was introduced making the club a force in Kent Football.

Now named K Sports FC we embark on an exciting new era for the club.

# Word from the board

## John Roberts - Vice Chairman

Hi and welcome to everyone at todays game or checking our online programme out! I am here to talk about the youth team and our continued FA Youth cup run.

We had Uxbridge last Thursday in the third qualifying round of the FA Cup. We had heard lots of reports of how good they were, last year they got to the second round of the F.A Cup so came with good pedigree, and they play in the right way.

We were lucky enough to have one of our coaches go and watch a couple of their games and he gave us an absolutely fantastic report of how they play, their style of play. They seemed to look to draw teams in and then pick them off. So, from this we set up a plan and we knew what we wanted to do, we decided to sit back and let them have it in their own third. We did this in the first twenty minutes, but our final passes were a bit off the mark, but we felt it was going to plan

We then went 1-0 up from a free kick that skipper Jonesy got on the end of. We followed that with a second disallowed for offside which was a shame, but we went

into half time with a valuable lead.

We knew Uxbridge would come at us after half time so just held for the first 15 minutes, got men behind the ball and worked hard, then pressed as they come into our half. It worked well and we frustrated them. They had some half chances and a good penalty chance to be fair that wasn't given. Then we managed to break away with Robbie Roberts down the right, and he lobbed their keeper to make it 2-0 and wrap the tie up.

They had a fair bit of possession, but we let them have it. We could have had 3 or 4.

So, we are now in the F.A Youth Cup first round which is an incredible achievement for the club and the lads. We travel to Eastbourne Borough Friday 6th November in the first round, but unfortunately because of the status of Eastbourne Borough it is behind closed doors which is a real shame, but as I say what a great achievement for the club.

Enjoy todays game, and fingers crossed I can bring good news next time out again.

The Southern Counties East Football League strongly support recent FA statements that there should be a zero tolerance approach against racism and all forms of discrimination, accordingly any form of discriminatory abuse whether it be based on race or ethnicity, sexual orientation, gender, faith, age, ability or any other form of abuse will be reported to the relevant County Association for action by that Association. The Southern Counties East Football League supports the 'Swearing - Let's Tackle It' campaign and condemns the use of foul and abusive language at football matches" (If any club is unable or unwilling to include this in their match programme they should contact the League office, but otherwise failure to include this statement may amount to a breach of League Rule 4.6). ## Paul Atkins - Manager

### Afternoon all and welcome back to Cobdown for today's game against Glebe FC.

It has been a hard Month for us. We have not had the luck and really do now need to start picking up points as we have slipped down the table. The lads have had over 14 games from the start of the season which is unbelievable really.

Looking back to our last time game where we played Lordswood, it was a close game where both teams were looking for 3 points but couldn't find them. We both had chances to win the game; we hit the woodwork twice and they had a penalty which was saved by Kyle.

Punjab away was a game I want to forget. It might sound strange, but we played really well in the 1st half and went in 1-0 down due to a mistake by young Kyle, which was disappointing as he was outstanding against Lordswood.

I knew it was going to be hard to recover as we have struggled to score goals this season. Before I knew it, we were losing 5-0. It was a very strange game to be part of and one I don't want to repeat again.

Last Saturday we played an in-form Hollands & Blair side. We matched them all over the park and deserved a point from the game but could not hold on to it due to a late goal from Matthew Gething who once played for K-Sports. This was a

real kick in the teeth for me and the lads.

This Wednesday we trained for the 1st time in 6 weeks due to the games we keep playing midweek. It is great to have the lads together work on little things. As you can see be the league results, we are not far away for being a good side, but we need to take are chances and not concede late goals.

We welcome Glebe and hope for a good game and a win!

We also welcome Joe Watkins to his 1st Home game at K-Sports Fc. Joe has been loaned out by Charlton Athletic and will help the squad out.

# Today's opponents

## Glebe FC

**Founded** 1995

**Nickname** The Foxes

Glebe FC were founded (as the junior side Glebe Globetrotters) in 1995 by chairman Rocky McMillan and his wife Grace. Initially based in West Wickham and starting with just a sole Under 8's team, the club progressed through the age groups. Regulars in Kent's Youth Leagues we won every junior trophy possible – including 10 London County Cups.

After their exceptional beginnings as a Junior side, their committee voted to form a Senior section in 2010 and the newly established team joined the Kent Invicta League (KIL) in 2013-14. In 2014, we also won the prestigious London FA Standard Charter Community Club of the Year Award, as voted for by the Executive Committee of the London FA.

But for years Glebe were nomads, seemingly unable to secure a permanent home. For the first two seasons the senior side ground shared with Holmesdale, but, in 2014, we signed a 25 year lease to take over Old Elthamians Rugby Club. This was a historic day in the club's history, when we had a base to be a focal point for sport in the community, at last.

With the help of the Football Stadia Improvement Fund, we have since built a modern sports complex. The club resides in 15 acres in Chislehurst, comprising 5 pitches, a new stadium pitch, a separate floodlit training area, gym, bar

and reception rooms.

In 2020/21, there are over 25 Junior teams, one ladies senior side, and of course the First XI, with over 350 playing club members.

Glebe FC's history as a senior side is brief - but exciting. Life began in 2013-14 finishing 10th following up with 7th in 2014-15. The next season we experienced the disappointment of narrowly missing out on promotion, finishing 3rd behind Bearsted and Sheppey United. However, we did win the Kent Invicta League Cup and the London FA Senior Trophy.

In 2016-17 the Kent Invicta League became the SCEFL's First Division and Glebe went up as champions - clear by 12 points. One highlight from last season (2019/20), was an impressive run in the FA Vase, when we reached the 4th Round, knocking out five opponents (Guildford City, K Sports, Peacehaven and Telscombe, Fisher and Newhaven) before a tough 3-0 defeat at favourites Stowmarket Town.

This is now our 4th season in the SCEFL Premier Division. Gary, Alexander, the ex-Millwall player, has committed himself to the club for another season. We are also delighted to have retained several key players from last season, as well as adding some experienced players, who have not played at his level before.

Off the pitch, we have agreed a new a sponsorship deal with Toolroom Records whose owner, the DJ Mark Knight, has joined the Board of Directors along with local businessman Ben Dhesi. Luxury car dealership, Beck Evans, have also come on board as major sponsors.

## SCEFL PREMIER MATCH REPORT

The points were shared at an entertaining local derby that both teams could have won.

The first half started with a lot of effort but few chances- the best of which came when Lordswood got in behind, but McLeish was quick off his line to narrow the angle and save well. Sports had their moments, Large testing Smith with a low effort, before a niggly few minutes saw a poor tackle by Hooper rewarded with a yellow card, before a Lordswood player went the same way after cynically fouling Large.

Then, with 41 on the clock, Lordswood took the lead in bizaare fashion as Sports centre back went to clear and hit the ball straight into the onrushing Billy Lewins, only to see it loop perfectly back over McLeish's head and into the back of the net. This was how it stayed until the half time whistle.

The Paper boys came out after half time determined to get something from the game and within two minutes were desperately unlucky not to score as McLaughlin's turn and shot in the box cannoned off the underside of the bar and stayed out. They were not deterred though, and on the hour Hoopers corner was met from close range by Carcary who nodded home on his home debut.

1-1!

Both sides still felt they could win it, and Lordswood had a glorious chance when a penalty was given away with a needless trip in the box. However former paperboy Stace's penalty was saved by McLeish and then scrambled away. Lordswood kept pushing forward and Stace then hit the bar, insisting the ball crossed the line on the way down, and then they struck the woodwork again as a shot across the goal came back off the post. Neither side could muster a winner though, and it finished 1-1.

It was a hard fought local derby.
